Student B

***You are the examiner.** Say the instructions for IELTS Speaking Part Two and then pass the worksheet to your partner. Allow them one minute to prepare and then ask them to start speaking. Don't forget to ask them one or two more questions about what they said after they finish speaking or after two minutes.*

Talk about some technology that you have started using fairly recently. You should say:

- What it is and what it does
- How it makes life better or easier
- How it is different to other similar technology

And say whether you think you will still be using it in ten years' time or not, and why
