How many words can you make from the word 'Christmas'? Work with a partner and write a list on a separate piece of paper. The words must have at least 2 letters. The words must be in the singular, not plural (so CAT is OK but CATS is not OK). You mustn't use letters more than once (so STAR is OK but START isn't because there's only one T in Christmas - but MISS is OK because there are 2 S's in Christmas).
